

**rivet care meeting 8-2-24**

**Call soham sir for the server details**

**Next meeting point will booking and payroll tab in my gem on 12-02-24**

priority:

1. My Day
2. My Gem

- No need to set remarks in compliance officer flow
- For the password: we need to set reset flow; like temp password will created by admin and staff will reset the password by submitting the temp password
- select/copy/right click should not allowing to do these
- Add one field in the candidate details page. Uniform Size (select box) values like XL,m,s,xxl etc. this should be only in healthcare assistance job title.
- Gaurab sir will send the super admin account in the whatsapp group. Then we need to create a super admin.
- CV should show in compliance when we are uploading in the candidate tab while adding
- After submitting the email forms like compliance docs and reference then it should show only msg and hide the form
- Redesign the compliance documents page like LMS they have like below:
- Set grey box and green colour text if they uploaded the documents
- Set grey box and black colour text if they are not uploaded the documents

Record 1 of 5 shown (from all).
